KERALA UNIVERSITY OF HEALTH SCIENCES

NOTIFICATION

No. 2035/AC-H/2015/KUHS. *18th August, 2018.*

In exercise of the powers conferred under Chapter V, Section 42 of the Kerala University of Health Sciences Act, 2010, the Governing Council at its meeting held on 9-3-2018 has made ordinances on the following matters with the recommendations of the Academic Council:

1. Inter college transfer of students affiliated under the University;
2. Transfer of Compulsory Rotating Internship;
3. Eligibility criteria for admission to various courses of study for Degree, Diploma and other academic distinctions.

As per the Section 43(iii) of the Kerala University of Health Sciences Act, 2010, permission has been accorded by the Hon'ble Chancellor to publish these regulations.

It is hereby published the following regulations for general information.

(Sd.)

Thrissur. PRO-VICE CHANCELLOR AND REGISTRAR (i/c).

PRINTED AND PUBLISHED BY THE SUPERINTENDENT OF GOVERNMENT PRESSES AT THE GOVERNMENT CENTRAL PRESS, THIRUVANANTHAPURAM, 2018.

33/3929/2018/S.28.

KERALA UNIVERSITY OF HEALTH SCIENCES FIRST ORDINANCES 2017 (Academic)

In exercise of powers conferred under Chapter V Section 42, of the Kerala University of Health Sciences Act 2010, the Governing Council shall make ordinances. As per section 43(i), the Go verning Council may make amend or repeal ordinances connected with the maintenance of academic standards shall be made by the Governing Council with the consent of the Academic Council unless a draft thereof has been considered by the Academic Council.

Chapter I

Preliminary

1. *Short title and commencement:*

   (1) These Ordinances may be called the Kerala University of Health Sciences First Ordinance, 2017 (Academic)

   (2) They shall come into force at once.

2. *Definition and rule of construction*

   (1) The words and expressions used in the Kerala University of Health Sciences Act, 2010(Act 4 of 2011) and the Kerala University of Health Sciences First Statute and used but not defined in these Ordinances shall have the same meanings respectively assigned to them in the said Act or Statutes.

Chapter II

Inter college transfer of students affiliated under the University

Inter-college transfer shall be permitted only for regular students of affiliated colleges under KUHS.

Inter College transfer for the students studying in the colleges affiliated to other Universities within and outside the state shall not be permissible due to the many reasons including the following mentioned :-

i. Difference in the eligibility criteria for admission to courses conducted by other Universities.
ii. Difference in Pass minimum
iii. Difference in Scheme of examination and distribution of marks
iv. Difference in Course duration
v. Difference in syllabus and curriculum

2. Transfer shall be considered only for students who have medical conditions of the self, where it is essential to have a transfer to another institution, subject to the recommendations of Medical Board constituted by the University for the purpose.

3 As per the prevailing Government decision a student from Government college shall be transferred to another Government college.

4 As per the prevailing Governing Council decision a student from Aided college shall be transferred to another Aided college.

5 As per the prevailing Governing Council decision a Student from one self financing college shall be transferred to another self financing college.

6. No notification will be issued for inter collegiate transfer.

7. Application will be considered only if open vacancy is available at the receiving college. (Open vacancy means vacancy arising consequent to non joining, permanent discontinuance with cancellation of registration)

8. The student shall be examined by a Medical Board specifically constituted by the University for the purpose.

9. Based on the recommendations of the Medical Board and regulations of the respective statutory council, the Vice Chancellor shall grant college transfer.

10. If the number of students found eligible for transfer is more than the available number of open vacancies, transfer of students from one college to another shall be made purely on the basis of merit taking into consideration the rank in the entrance examination. If there is no entrance examination, marks in the qualifying examination/previous year's University Examination whichever is applicable will be taken into account.

11. The student is eligible for transfer only once in a course.

12. Application in prescribed format with details of medical certificate along with no objection certificate issued by the college of study and the college to which transfer is requested, NOC from concerned Apex Bodies / Statutory Councils wherever prescribed shall be forwarded through the Principal to the Registrar with the prescribed fee.

13. Data sheet showing mark and rank of the candidate in the Entrance Examination issued by CEE/ authority concerned or allotment memo, from concerned authorities as the case may be, shall also be submitted along with the application.

14. In the case of applications submitted on extreme compassionate grounds the same shall be considered and decided by a subcommittee of the Governing Council consisting of not less than 3 members of the Governing Council.

Chapter III

Transfer of Compulsory Rotating Internship (CRI)

The guidelines for transfer of Compulsory Rotating Internship (CRI) are as follows:

1. Transfer of C.R.I is not a right. But it is granted in situations where the student has genuine difficulty in completing the C.R.I in the college of study. A maximum number of 5% of the permitted yearly admission capacity of students of the college shall be allowed transfer. C.R.I transfer shall be permitted to students studying in affiliated colleges under KUHS.

2. The Principal/ Head of the Institution shall submit a declaration to the above effect in each case of request for transfer of C.R.I.

3. In the case of MBBS students, the posting in Community Medicine [2 months] shall be done in the college of study under department of Community Medicine in all cases. Only the rest of the 10 months of the C.R.I is allowed to be transferred. For other courses the guidelines of the Apex Council/Government shall be followed.

4. For the transfer of C.R.I from one institution to another institution, NOC of college of study and institution where C.R.I is to be completed must be obtained. The permission of TC Medical Council also has to be obtained wherever applicable, before applying for CRI transfer. BDS students shall submit NOC from Dental Council of India for applying for CRI transfer.

5. In the case of MBBS students, C.R.I shall be done in any of the Medical Colleges or non teaching hospitals recognized by Medical Council of India and KUHS from time to time. For all other courses C.R.I transfer shall be permitted only to the institutions either affiliated to KUHS or approved by KUHS as the case may be.

6. The number of candidates doing C.R.I in one institution should not be more than the maximum number approved by the apex council.

7. For the students doing C.R.I in Medical Colleges, the Internship Completion certificate should be issued by the Principal / Dean of the college / Head of the Institution in which the student underwent the course.

8. This norm will be applicable to all courses under KUHS for transfer during internship in general and it should be in accordance with the concerned statutory council norms and Government directions.

Chapter IV

Eligibility criteria for admission to various courses of study for degree, diploma and other academic distinctions

Sl. No.	Course	Eligibility for Admission
1.	B. Sc. Nursing	Candidates who have passed Higher Secondary Examination of the Board of Higher Secondary Education, Kerala, or examinations recognized equivalent thereto by KUHS with 50% marks in Physics, Chemistry, Biology and English put together, are eligible. Candidate has completed 17 years of age as on 31st December of the year of admission. Candidate shall be medically fit. As per the Regulations published by Kerala University of Health Sciences (KUHS) from time to time.
2	M. Sc. Nursing	The candidate should be a Registered Nurse and Registered Midwife with Kerala Nurses and Midwives Council. The minimum educational requirements shall be the passing of regular degree course in Nursing – (B.Sc. Nursing / B.Sc. (Hons). Nursing/ Post Basic B.Sc. Nursing), with minimum of 55% aggregate marks, in an institution which is recognized by Indian Nursing Council and KUHS. Candidate with PB BSc. Nursing degree shall have passed higher secondary course with Physics Chemistry and Biology. Basic B.Sc Nursing with minimum one year of experience after Nursing Council Registration. One year compulsory nursing service/internship after successful completion of four year B.Sc Nursing can be considered as experience. Minimum one year of experience prior or after regular Post Basic B.Sc. Nursing. Relaxation of marks for SC/ST & SEBC candidates may be given as per state government norms. Candidate shall be medically fit. Every candidate before admission to the course shall submit to the Principal of the Institution a Certificate of Medical Fitness from an authorized Medical Officer certifying that the candidate is fit to undergo the course.
3	PB B.Sc. Nursing	A candidate seeking admission must: Hold a Diploma in General Nursing & Midwifery (GNM) and have passed Higher Secondary Examination with Physics, Chemistry and Biology as subjects of study. Be a Registered Nurse of the Kerala State Nursing Council. Candidates who have passed pre-university exam/+2 with Physics, Chemistry and Biology as subjects of study. Medically fit to undergo the course.

4	Siddha Maruthuva Arignar (B.S.M.S.)	No candidate shall be eligible for admission unless a) He / She has completed the age of 17 years on or before 31st December of the year of his/her admission to the first year of the course. b) He / She has passed the higher secondary examination of the board of higher Secondary education Kerala, or examinations recognized equivalent there to by KUHS, with 50% marks in Biology separately, 50% mark in Physics, Chemistry and Biology put together . c) The candidate shall have studied Tamil as a compulsory subject in the tenth standard or at Higher Secondary level. d) Candidates, who are not covered under clause (c) above, have to study Tamil as a subject during the first professional session. e) No candidate shall be admitted to B.S.M.S Degree course if he is blind, deaf or dumb.
5	Kamile Tib O Jarahat course (B.U.M.S.)	Admission to Kamile Tib o Jarahat course: A candidate seeking admission to main Kamile Tib o Jarahat (Bachelor of Unani Medicine and Surgery-B.U.M.S.) Course must have passed:- I) Candidate who has passed Higher Secondary examination of the Board of Higher Secondary Education, Kerala or examinations recognized equivalent thereto by KUHS with fifty per cent aggregate marks in the subjects of Physics, Chemistry and Biology and 50% marks in Biology separately. ii) The applicant should have passed 10th or 12th standard with Urdu or Arabic or Persian language as a subject, or clear the test of Urdu in the entrance examination conducted by the University or Board, or registered Society authorized by the Government to conduct such examination or the Pre –Tib examination of one year duration. (i) for reserved category or special category like physically handicapped students in 10+2, they shall be given relaxation in of Physics, Chemistry and Biology marks for admission in BUMS as per concerned State and Central rules; (ii) for foreign students any other equivalent qualification to be approved by the University shall be allowed; Candidates has completed the age of 17 years on or before 31st December of the year of admission Candidate shall be medically fit.
6	B.Sc (Nursing-Ay.)	Candidates who have passed Higher Secondary Examination of the Board of Higher Secondary Education, Kerala or equivalent there to, with 50% marks in physics, chemistry, and biology put together with usual relaxation allowed by Government of Kerala for Scheduled Castes, Scheduled Tribes and Other Backward Classes. As per the Regulations published by Kerala University of Health Sciences (KUHS) from time to time.
7	B.Pharm (Ay.)	Candidates who have passed Higher Secondary Examination of the Board of Higher Secondary Education, Kerala or equivalent there to, with 50% marks in physics, chemistry, and biology put together with usual relaxation allowed by Government of Kerala for Scheduled Castes, Scheduled Tribes and Other Backward Classes. As per the Regulations published by Kerala University of Health Sciences (KUHS) from time to time.

8	B.A.M.S.	No candidate shall be eligible for admission unless a) He / She has completed the age of 17 years on or before 31st December of the year of his/her admission to the first year of the course. b) He / She has passed the higher secondary examination of the board of higher Secondary education Kerala, or examinations recognized equivalent there to by KUHS, with 50% marks in Biology separately, 50% mark in Physics, Chemistry and Biology put together . c) Candidate shall be medically fit.
9	MD (Ayurveda)/ MS Ayurveda)	1. A person possessing the degree in Ayurveda of a University or Board or Medical institution specified in the second Schedule of the CCIM Act shall be eligible for admission in the post graduate degree course. 2. The University or any other committee to be constituted by Government concerned shall conduct the admission process. 3. The sponsored candidates shall also be required to possess the percentage of marks specified except for foreign nationals. 4. Reservation for all categories shall be applicable as per State Government/Central Government policy.
10	BDS	No candidate shall be allowed to be admitted to the medical curriculum of first Bachelor of Dental Surgery (BDS) course until: He/ She has completed the age of 17 years on or before the 31st of December of the year commencing the prescribed academic session of the said course. He/ She has passed qualifying examination as under: A candidate who has passed Higher Secondary examination of the board of Higher secondary Education, Kerala, or Examinations recognized equivalent there to by KUHS with 50% mark in Biology/Biotechnology separately and 50% marks in Physics, Chemistry and Biology/Biotechnology put together are eligible. The candidate must study English as a subject in the Higher Secondary course. In respect of candidates belonging to Socially & Educationally Backward Classes the minimum marks required in qualifying examination in Physics, Chemistry and Biology/Biotechnology taken together and in Biology/Biotechnology separately is relaxed to 45% instead of 50% as above. With respect to candidates belonging to Scheduled Castes and Schedules Tribes the minimum marks required in qualifying examination in Physics, Chemistry and Biology/Biotechnology taken together is relaxed to 40%. The eligibility criteria for admission to persons with disability of lower limbs (40 to 70%)– will be a minimum of 45% marks instead of 50% taken together in qualifying examination and competitive entrance examination for admission in BDS course or any other examination which, in scope and standard is found to be equivalent to the intermediate science examination of an Indian University/ Board, taking Physics, Chemistry and Biology/Biotechnology including practical test in each of these subjects and English.

11	MDS	A candidate for admission to the MDS course must have a degree of BDS (Bachelor of Dental Surgery) from a Dental College and University recognized by the Dental Council of India and KUHS and permanent registration of the Dental Council of India or any State Dental Councils. A candidate should qualify an Entrance Examination as per the existing Rules of Government of Kerala and the Dental Council of India (DCI) or as per the order of State / Central Government.
12	B.H.M.S	No candidate shall be eligible for admission unless a) He / She has completed the age of 17 years on or before 31st December of the year of his/her admission to the first year of the course. b) He / She has passed the higher secondary examination of the board of higher Secondary education Kerala, or examinations recognized equivalent there to by KUHS, with 50% marks in Biology separately, 50% mark in Physics, Chemistry and Biology put together . c) The candidate shall have studied English as a compulsory subject at Higher Secondary level. d) No candidate shall be admitted to B.H.M.S Degree course if he is blind, deaf or dumb.
13	M D (Hom.)	No candidate shall be admitted to MD (HOM) course unless he possesses the degree of: Bachelor of Homoeopathic Medicine and Surgery or equivalent qualification in Homoeopathy after undergoing a regular course of study of not less than five and half years duration including one year compulsory internship: or Bachelor of Homoeopathic Medicine and Surgery (Graded Degree) or equivalent qualification in Homoeopathy included in the Second schedule of the Act, after undergoing a regular course of study not less than two years duration. The University or the authority prescribed by the state government as the case may be, shall select the candidate on merit for Post Graduate course.

14	M.B.B.S	He/ She has completed the age of 17 years on or before the 31st of December of the year commencing the prescribed academic session of the said course. He/ She has passed qualifying examination as under: The Higher Secondary Examination or the Indian School Certificate Examination which is equivalent to 10+2 Higher Secondary Examination after a period of 12 years study, the last two years of study comprising of Physics, Chemistry, Biology and English with minimum 50% marks for Physics, Chemistry and Biology together and 50% in Biology separately. In respect of candidates belonging to socially and educationally backward classes the minimum marks required in qualifying examination in Physics, Chemistry and Biology taken together and in Biology separately is relaxed to 40% instead of 50% as above. With respect to candidates belonging to scheduled castes and scheduled tribes the minimum marks required in qualifying examination in Physics, chemistry and biology taken together is relaxed to 40%. The eligibility criteria for admission to persons with locomotor disability of lower limbs (40 to 70%) will be a minimum of 45% marks instead of 50% taken together in qualifying examination.
15	PG Diploma in Medicine	A candidate must possess MBBS or equivalent Degree from recognized University. A candidate should qualify an Entrance Examination as per the existing Rules of Government of India, Government of Kerala and the Medical Council of India (M. C. I.). Permanent Registration in Medical Council of India/Modern Medical Councils of Kerala State.
16	PG Degree in Medicine	A candidate must possess MBBS or equivalent Degree from recognized University. A candidate should qualify an Entrance Examination as per the existing Rules of Government of India, Government of Kerala and the Medical Council of India (M. C. I.). Permanent Registration in Medical Council of India/Modern Medical Councils of Kerala State.
17	PG Medicine in Super Speciality	The candidate applying for a post - doctoral course, shall have obtained the degree of M.D/M.S. related feeder subjects as decided upon by the MCI and recognized by MCI. Diplomate of National Board (DNB) shall be considered equivalent qualification if they satisfy all the conditions stipulated by the Medical Council of India. A candidate should qualify an Entrance Examination as per the existing Rules of Government of India, Government of Kerala and the Medical Council of India (M. C. I.). Permanent Registration in Medical Council of India/Modern Medical Council of Kerala State.

18	B.Sc. Medical Microbiology	The candidate applying for admission to the course:- Should have passed Higher secondary examination conducted by Board of Higher Secondary Education, Government of Kerala or examination equivalent there to as approved by Kerala University of Health Sciences with 50% marks in Physics, Chemistry & Biology put together. Usual relaxation of marks will be permitted for SC/ST and SEBC students as fixed by Govt. of Kerala. At the time of entry / admission to the first year of course B.Sc. Medical Microbiology the candidate should be of age 17 years or above.
19	Bachelor Of Physiotherapy (BPT)	Candidates who have passed Higher Secondary examination of the Board of Higher Secondary education, Kerala or examination equivalent there to as approved by Kerala University of Health Science with 50% Marks in Biology separately and 50% marks in Physics, Chemistry, and Biology put together with usual relaxation of mark for Scheduled Castes\Scheduled Tribes and SEBC students as fixed by Government of Kerala
20	B.Sc. Medical Laboratory Technology (MLT)	Candidates for admission to the course shall have passed the Higher secondary examination conducted by Board of Higher Secondary Education, Govt. of Kerala or courses recognized equivalent there to by the Kerala University of Health Sciences with 50% marks in Science subjects Group II in Physics, Chemistry and Biology and English put together with usual relaxation allowed by Government of Kerala for Scheduled Castes, Scheduled Tribes and SEBC candidates. Students should have completed 17 years of age as on 31st December of the admission year
21	BSc. Optometry	Candidates who have passed Higher Secondary Examination of the Board of Higher Secondary Education, Government of Kerala or examinations recognized equivalent thereto, with 50% marks in Physics, Chemistry, Biology and English put together, are eligible. Usual relaxation allowed by Government of Kerala for Scheduled Castes, Scheduled Tribes and SEBC candidates. The student should have 17 years of age as on 31st December of the admission year.
22	Bachelor of Audiology, Speech and Language Pathology (BASLP)	The candidate applying for admission to BASLP course:- Should have passed Higher Secondary examination conducted by Board of Higher Secondary Education, Government of Kerala or examination equivalent there to as approved by Kerala University of Health Sciences with 50% marks in Physics, Chemistry & Biology / Mathematics/ Computer Science/ Statistics/ Electronics / Psychology put together with usual relaxation of marks for SC/ST and SEBC (Socially and Educationally Backward community) students as fixed by Govt. of Kerala. At the time of entry / admission to the first year of BASLP course the candidate should be of age 17 years or above.
23	B.Sc. Perfusion Technology	Minimum educational qualification

		Candidates should have passed Higher Secondary examination of the board of Higher Secondary education, Kerala or examination equivalent there to as approved by Kerala University of Sciences, with 50% marks in Biology separately, 50% marks in Physics, Chemistry and Biology put together with usual relaxation of mark for SC/ST and SEBC students as fixed by Government of Kerala. Age limit The candidate should have completed 17 years of age as on 31st of December of the year of admission.
24	B.Sc. Medical Radiological Technology (MRT)	The candidate shall pass higher secondary examination conducted by Board of Higher Secondary Education, Govt. of Kerala or equivalent course recognized by the Kerala University of Health Sciences with a minimum of 50% marks in Physics, Chemistry and Biology taken together. Provided that there shall be reservation of seats for the students belonging to the Scheduled Castes, Scheduled Tribes, SEBC and other eligible categories in accordance with the instructions issued by the Central Government and State Government as the case may be from time to time. Students should have completed 17 years of age as on 31st December of the admission year.
25	B.Sc. Medical Biochemistry	Should have passed Higher secondary examination conducted by Board of Higher Secondary Education, Government of Kerala or examination equivalent there to as approved by Kerala University of Health Sciences with 50% marks in Physics, Chemistry & Biology put together. Usual relaxation of marks will be permitted for SC/ST and SEBC students as fixed by Govt. of Kerala. At the time of entry / admission to the first year of course B.Sc. Medical Biochemistry the candidate should be of age 17 years or above.
26	Bachelor Degree in Cardio Vascular Technology (BCVT)	Minimum educational qualification Candidates who have passed Higher Secondary examination of the board of Higher Secondary education, Kerala or examination equivalent there to as approved by Kerala University of Sciences, with 50% marks in Biology separately 50% marks in Physics, Chemistry and Biology put together with usual relaxation of mark for SC/ST and SEBC students as fixed by Government of Kerala. Age limit The candidate should have completed 17 years of age as on 31st of December of the year of admission.
27	Master of Audiology and Speech Langauage Pathology (MASLP)	BASLP Degree from Kerala University of Health Sciences or from any other Universities recognized equivalent there to by KUHS, with 55% marks in aggregate. Usual relaxation of marks is permitted for SC/ST/Socially and Educationally Backward community (SEBC) candidates as per Government guidelines.
28	MSc. Medical Physiology	A Candidate who have passed B.Sc. with at least one subject of biological sciences like Zoology, Botany, Biochemistry, Biophysics, Microbiology, Biotechnology or BPT, B.Pharm, B.Sc. MLT, B.Sc. Physician Assistant, B.Sc. Nursing or any other professional graduates in Allied Health Science with a minimum of 60% marks and MBBS, BDS, BHMS, BAMS, BSMS and BUMS graduates with a minimum of 55% marks in the qualifying examination from a

		recognized University. Usual relaxation of marks is permitted for SC/ST/SEBC candidates as per Government guidelines.
29	Master of Hospital Administration (MHA)	Candidates for MHA course shall have any degree from any University established under law with minimum 50% mark in aggregate with usual relaxation of marks for SC/ST/SEBC candidates as per Government guidelines.
30	M.Sc Medical Laboratory Technology (MLT)	Candidate who have passed the B.Sc. (MLT) degree from Kerala University of Health Sciences or from any other University recognized equivalent thereto by KUHS with 50% marks for all the years of B.Sc. MLT examination taken together are eligible for admission to M.Sc MLT course. Usual relaxation of marks of SC/ST/SEBC candidates as per Government guidelines shall be permitted.
31	Master of Physiotherapy (MPT)	The candidates should pass BPT Degree from KUHS or from other Universities recognized equivalent there to by KUHS with minimum 50 % marks in aggregate. Usual relaxation of marks shall be permitted for SC/ST/SEBC candidates as per Government guidelines.
32	Master Of Optometry (M. Optom)	B.Sc. Optometry Degree from KUHS or from other Universities recognized as equivalent there to by KUHS, with a minimum of 55% marks. Usual relaxation of marks for SC/ST/Socially and Educationally Backward community (SEBC) candidates are permitted as per Government guidelines.
33	Post M.Sc. Diploma in Radiological Physics (Dip. RP)	M.Sc. Physics with B.Sc degree with physics as main subject conducted by any of the Universities in India or equivalent there to as recognized by Kerala University of Health Sciences having at least 60% marks in aggregate of the subjects. In case of Grade System, Grade to percentage of marks conversion scheme obtained from University should be submitted along with the application.
